Dear Friend,

Thanks for helping those in need this winter.

For the thousands of families who are struggling with the basics of food, warmth and shelter this winter, it's good to know there are kind people like you out there who choose to help. Thanks to you, we can help Kiwi families to make it through a tough winter and the winters beyond.

Thank you for your kind donation of \$100.00 to our Winter Appeal.

Your gift has allowed The Salvation Army to provide urgent care to families and individuals in crisis, in the form of food parcels, practical aid and emergency accommodation. These services are vital in allowing these people to get through the cold winter months.

Your generosity also means that we can provide them with transformational care such as social worker support, budgeting advice, counselling sessions and life skills programmes-giving them the tools to live happy, healthy and independent lives in the future.

Thanks for helping keep the lights on for people in crisis this winter. God bless you for caring.

Yours sincerely,

Tim Hamilton
