Dear Patricia

Thanks to you, lives are saved and second chances given!

When a couple left Tauranga in their beloved boat, *Mazurka*, they had no clue what Mother Nature had in store. Big swells tore apart their anchor line, their engine broke down and they were in serious danger.

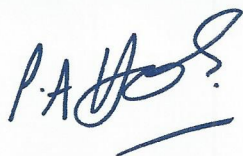

Howling winds and churning seas started to push *Mazurka* towards a dangerous reef. Fearing for their lives, the couple set off distress flares and made an urgent mayday call, praying for someone to come to their rescue.

And, thanks to you, their call was answered and a brave Coastguard volunteer crew came to the rescue. They battled through huge swells, strong winds and zero visibility to rescue the couple and their beloved boat before it was too late.

Reunited families and loved ones have you to thank, because you have changed lives. You are the reason our volunteer crews are able to be there, making lifesaving decisions 24/7. Your kind gift of \$100.00 will help us respond to the next emergency that comes our way.

Thank you for being an amazing, life-saving friend!

Best wishes,

Patrick Holmes
