Dear Friend,

Thank you for driving change

Thanks to your gift we are able to support and bring about transformation in people's lives and in turn drive positive change in communities across New Zealand. Without you, we simply would not be able to carry out the work we do.

Thank you for your donation of \$100.00 in response to our Together Appeal.

Your kindness will allow our frontline staff to provide to others, support networks and skills through our programmes, helping their immediate needs as well as providing longer-term plans.

As you would have read, Kara is on the path to independence with her driving; and because of you we can provide wrap-around care, at our centres like Royal Oak, that sees staff including Jasmine, providing access to services such as budgeting, counselling, parenting and much more.

Thanks again for being part of changing the situations of those in need. God bless you for caring.

Yours sincerely,
