**The Charity Saving Lives at Sea**

Dear friends

## You are the heart of Coastguard! Thank you for saving lives at sea.

Thank you for your generous donation. Just like that, you have changed a life! Every life is sacred and your act of kindness has not only saved a life but saved a family.

Imagine how you'd feel if you were all alone, badly burnt and not sure anyone heard your cries for help. For Peter, it felt like the end; *"As I sat there, I thought of my kids and my partner."* It was the thought of never seeing his girls again that gave him the fight to raise the alarm. And thanks to you, he was rescued.

friends, Coastguard volunteers are extraordinary people risking their own lives to save others. Thanks to your donation of \$100.00, brave volunteers like Chris were there to give Peter a second chance. Your gift helps provide the specialised training they rely on when they're faced with life and death situations.

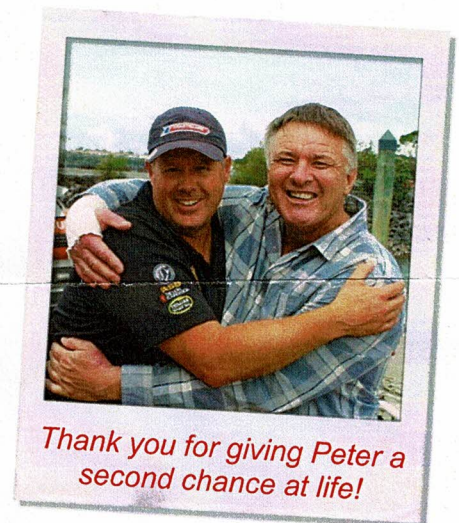

Because of you, Peter's daughters still have their dad. You are the reason Coastguard volunteers have the life-saving skills and experience to not just save lives, but families. Thanks to you, they'll be there for the next emergency.

Best wishes,

**Jo Cowie**  
Head of Fundraising & Marketing  
Coastguard New Zealand

*Many Thanks!*
