Dear Mrs Campbell

Donor ID: 013385

Thank you so much for supporting CanTeen and for your kind donation of \$100.00. Your donation helps young people, like Matt, learn strategies to cope with grief, loss and change and connect with other young people in the same boat.

*Matt said: "It hurt so much losing my sister Hayley - but CanTeen helped me through - and it's people like you who ensure that young people facing cancer now and into the future will receive the same quality of support. CanTeen only exists thanks to the support of a much bigger community. By donating, you are part of this team and for that I'm deeply grateful."*

No one should face cancer alone - whether it's their own cancer diagnosis or that of a family member. As the only New Zealand organisation solely supporting 13-24-year-olds impacted by cancer, your generosity is vital in ensuring young people receive the support they need. Thank you so much for your donation.

Warmest thanks,

Lucy Coombes  
National President
